Letter dated 18 June 2015 from the Secretary-General addressed to the President of the Security Council

I have the honour to refer to Security Council resolution 2216 (2015), adopted on 14 April 2015, by which the Council decided to impose a targeted arms embargo on designated individuals and increase the size of the Panel of Experts on Yemen from four to five members, and requested me to take the necessary administrative measures.

Accordingly, I wish to inform you that, after consulting with the Security Council Committee established pursuant to resolution 2140 (2014),

I have appointed the following expert:

Nicolás Dapena Fernández, arms (Argentina)

I should be grateful if you would bring this matter to the attention of the members of the Security Council.
